Communication skills

I am experienced at work with people of different age from 16 till 30. Successfully I make and give presentations at the conferences and seminars. Every year I take part in conferences of different type (international, ukrainian and local), where I share my experience with other lecturers. Always I manage in finding common themes for discussing.

Organisational / managerial skills

During my working at the university I arrange the charity fairs every year. I constantly organize master classes of studying German for entrants. In 2019 I was the invitor and co-organizer of Ukrainian scientific and practical conference "Foreign language in multicultural space: experience and perspectives".
